

**Announcing a new URSI journal**

## ***URSI Radio Science Letters***

*URSI Radio Science Letters (RSL)* is a new electronic journal owned and operated by URSI. Its purpose is to rapidly publish original and previously unpublished scientific research work in all areas of radio science, in the form of short contributions that are rigorously reviewed. The journal is open access and will be published only in electronic format, one volume per calendar year. Each accepted contribution will be identified by volume number, year of publication, page numbers, and DOI. Each reviewed and accepted paper will be published as soon as full editing is completed. The URSI Board has appointed Prof. Piergiorgio L. E. Uslenghi as the first Editor-in-Chief (EIC) of the *RSL*.

Contributions to the *RSL* must be in the form of manuscripts in English, not exceeding four published pages in length. A template and instructions to prospective authors are provided on the journal's Web site. Initial submissions must be in PDF. Final submissions will be accepted in either Word or LaTeX. The PeerTrack manuscript management system of Allen Press is used to handle the submissions and the review and publishing process.

The *RSL* is intended to be a very rapid publication journal. The EIC will promptly notify the corresponding author of the anonymous reviews and the Associate Editor's comments, and of the consequent disposition of the manuscript. If minor revisions are required, a revised manuscript must be submitted within thirty days of the EIC's recommendation. Any delayed resubmission will be considered as a new submission. Only minor changes are acceptable. If major changes are required, the manuscript will be rejected with or without a suggestion to resubmit a revised version. Plagiarism, as well as duplicate submission and publication, will result in rejection of the submission.

Authors of accepted manuscripts are expected to sign the URSI Publication Agreement as a precondition to publication. Submissions to the *RSL* will be accepted effective May 1<sup>st</sup>, 2019. Please send your manuscripts to:

An article processing charge of 150 USD per published page or fraction thereof for URSI members (175 USD for URSI nonmembers) is to be paid prior to the posting of an accepted contribution. Any payment delinquency will result in the removal of the contribution from the *RSL* Web site.
