The International Union of Radio Science (URSI) is a foundation Union (1919) of the International Council of Scientific Unions as direct and immediate successor of the Commission Internationale de Télégraphie Sans Fil which dates from 1913.

Unless marked otherwise, all material in this issue is under copyright © 1992 by Radio Science Press, Belgium, acting as agent and trustee for the International Union of Radio Science (URSI). All rights reserved. Radio science researchers and instructors are permitted to copy, for non-commercial use without fee and with credit to the source, material covered by such (URSI) copyright. Permission to use author-copyrighted material must be obtained from the authors concerned.

The articles published in the Radio Science Bulletin reflect the authors' opinions and are published as presented. Their inclusion in this publication does not necessarily constitute endorsement by the publisher.

Neither URSI, nor Radio Science Press, nor its contributors accept liability for errors or consequential damages.
