
Demetrios Matsakis(1), Charles Bunting(2), Bill Davis(3), Yasuhiro Koyama(4), Tian Loh(5), Razvan Tamas(6), Patrizia Tavella(7), and Steven Weiss(8)

Since its inception in 2017, the chief products of the Working Group have been to promote sessions on training at URSI meetings and to establish a series of web pages, which are designed for minimal maintenance. They include pointers to other web-resources, job opportunities, and we have begun to expand them by adding presentations and papers.

The opening web page is shown in Figure 1.
